Expand your Eagle Eyes Sunglasses line with these unique products

Perfect for prescription wearers! The Eagle Eyes Wrap Around Sunglasses incorporate the Patented Polarized TriLenium-Gold™ Lens System that fit perfectly over your glasses for full protection! And the wide array of CLIP-ONS comes in various styles and sizes for perfect fit on top of any style of prescription glasses! Conventional sunglasses can actually blur your vision by allowing harmful UV rays in and darkening useful, vision-enhancing light rays. Slip on a pair of Eagle Eyes and be amazed. Everything is more vivid and sharper. Immediately notice that your eyes are more comfortable and relaxed and you'll feel no need to squint.

**Eagle Eyes Wrap Around Sunglasses
Fits Right Over ANY Prescription Glasses!**

- Dramatically reduces glare
- Blocks blue wavelengths that cause retina damage and cataracts
- Enhances overall vision
- Absolutely the best coverage
- Blocks all outside light

Perfect for prescription wearers! They can be worn with or without prescription glasses and are great for post-operative and light sensitive people. The Eagle Eyes Wrap Around Sunglasses incorporate their Patented Polarized TriLenium-Gold™ Lens System that fit perfectly over glasses for full protection! Great sunglasses and a smart long term investment.
